The Boxster door handles and door lock mechanism take a lot of use and abuse over the years and can experience many different failures. The first step in fixing any door lock or handle problems is to remove the door panel (see Pelican Technical Article: Door Panel Removal / Mirror Switch Replacement). Follow along with the photos in this project to work through the steps involved in replacing ...

The Toyota Supra (Japanese: トヨタ・スープラ, Toyota Sūpura) is a sports car and grand tourer manufactured by Toyota Motor Corporation beginning in 1978. The initial four generations of the Supra were produced from 1978 to 2002. The styling of the Supra was derived from the Toyota Celica, but it was both longer and wider. Starting in mid-1986, the A70 Supra became a separate model ...
