The Education Professional Standards Board is responsible for issuing and renewing certificates for all Kentucky teachers and administrators. Staff works closely with local school districts in the hiring process to ensure a properly credentialed educator in every professional position in Kentucky schools.

Education Professional Standards Board

The Simplified Spelling Board was an American organization created in 1906 to reform the spelling of the English language, making it simpler and easier to learn, and eliminating many of what were considered to be its inconsistencies. The board operated until 1920, the year after the death of its founding benefactor, who had come to criticize the progress and approach of the organization.

The Arduino Mega 2560 is a microcontroller board based on

A board of directors is a group of people who jointly supervise the activities of an organization, which can be either a for-profit business, nonprofit organization, or a government agency. Such a board's powers, duties, and responsibilities are determined by government regulations (including the jurisdiction's corporations law) and the organization's own constitution and bylaws.
