Native American boarding schools, also known as Indian Residential Schools were established in the United States during the late 18th and mid 19th centuries with a primary objective of assimilating Native American children and youth into Euro-American culture, while at the same time providing a basic education in Euro-American subject matters. These boarding schools were first established by ...

Native American boarding schools, which operated in Minnesota and across the United States beginning in the late nineteenth century, represent a dark chapter in U.S. history. Also called industrial schools, these institutions prepared boys for manual labor and farming and girls for domestic work. The boarding school, whether on or off a reservation, carried out the government's mission to ...
