Introduction to the Christian Book of Concord

Naturalisation as a British Overseas citizen is not possible. It is expected that BOCs will obtain citizenship in the country they reside in and that the number of active status holders will eventually dwindle until there are none. Currently, it is only possible to transfer BOC status by descent if an individual born to a BOC parent would otherwise be stateless.

The economy of Cyprus is classified by the World Bank as a high-income economy, and was included by the International Monetary Fund in its list of advanced economies in 2001. Erratic growth rates in the 1990s reflected the economy's vulnerability to swings in tourist arrivals, caused by political instability on the island and fluctuations in economic conditions in Western Europe.
