Nacirema ("American" spelled backwards) is a term used in anthropology and sociology in relation to aspects of the behavior and society of citizens of the United States of America. The neologism attempts to create a deliberate sense of self-distancing in order that American anthropologists might look at their own culture more objectively.

Body adornment has only recently become a subject of serious scholarly research by archaeologists, who have been hampered in studying body piercing by a sparsity of primary sources. Early records rarely discussed the use of piercings or their meaning, and while jewellery is common among grave goods, the deterioration of the flesh that it once adorned makes it difficult to discern how the ...

This webpage is intended to help you become familiar with the "Order of Mass" used in the Roman Catholic Church. The texts and responses spoken by all the people are indicated in bold type below. Some of the greetings and prayers spoken by the presider (the priest or bishop) at each Mass are also included, in order to help you understand the structure and flow of the Mass more fully.
