boeing 747 400 standard pdf

The Boeing 747-400 is an American wide-body jet airliner developed by Boeing Commercial Airplanes. Derived from the earlier versions of the Boeing 747, the 747-400 retains the four-engine wide-body layout of its predecessors, whilst incorporating numerous technological and structural changes to produce a more efficient airframe. Its most distinguishing features versus preceding 747 models are 6 ...

Boeing 747-400 - Wikipedia

The Boeing 747 is an American wide-body commercial jet airliner and cargo aircraft, often referred to by its original nickname, "Jumbo Jet". Its distinctive hump upper deck along the forward part of the aircraft has made it one of the most recognizable aircraft, and it was the first wide-body airplane produced. Manufactured by Boeing's Commercial Airplane unit in the United States, the 747 was ...

Boeing 747 - Wikipedia

Le Boeing 747-400 est un développement majeur et le modèle le mieux vendu de la famille d'avions de ligne à réaction Boeing 747. Tout en conservant la disposition quadrimoteur et le fuselage large de ses prédécesseurs, le 747-400 intègre de nombreux changements technologiques et structurels destinés à produire une cellule plus performante. Sa caractéristique la plus distinctive par ...

Boeing: The Boeing Company

Le Boeing 747 est un avion de ligne à réaction américain à fuselage large construit depuis 1969 par Boeing, souvent désigné par son surnom, Jumbo Jet ou Reine des Cieux. Sa « bosse » caractéristique à l'avant du fuselage fait du 747 un appareil particulièrement reconnaissable. Le 747 est également le premier avion de ligne à fuselage large produit.

Boeing: Next-Generation 737

Boeing 747, også kjent under kallenavnet «Jumbojet», er verdens nest største passasjerfly etter Airbus A380 og verdens første bredbudsfly. Flyet er et kommersielt passasjer- og transportfly med fire jetmotorer, lett gjenkjennelig på pukkelen rett over nesepartiet hvor flygerne og en del passasjerer sitter. Det produseres i Everett nord for Seattle i USA av Boeings Commercial Airplanes og ...
