The region now known as Bolivia had been occupied for over 2,500 years when the Aymara arrived. However, present-day Aymara associate themselves with the ancient civilization of the Tiwanaku culture which had its capital at Tiwanaku, in Western Bolivia. The capital city of Tiwanaku dates from as early as 1500 BC when it was a small, agriculturally based village.

The demographic characteristics of the population of Bolivia are known through censuses, with the first in 1826 and the most recent being in 2012. The National Institute of Statistics of Bolivia (INE) has performed this task since 1950. The population of Bolivia in 2012 had reached 10 million for the first time in history. The population density is 9.13 inhabitants per square kilometer, and ...
