A municipal bond, commonly known as a Muni Bond, is a bond issued by a local government or territory, or one of their agencies. It is generally used to finance public projects such as roads, schools, airports and seaports, and infrastructure-related repairs. The term municipal bond is commonly used in the United States, which has the largest market of such trade-able securities in the world.

Teaching and Math Methodology The Role of Assessment . Assessment is more than collecting data on test performance. Anne Davies (2004) indicated that assessment is a process of triangulation or gathering evidence over time that agreed-upon criteria have been met from multiple sources: artifacts that students produce, observation notes on the process of students' learning, and documentation ...
