BEER - WIKIPEDIA

BEER SOMMELIER - WIKIPEDIA

book of beer knowledge pdf

The process of making beer is known as brewing. A dedicated building for the making of beer is called a brewery, though beer can be made in the home and has been for much of its history.

Beer - Wikipedia

A beer sommelier, also called a cicerone, is a trained professional, working in the hospitality and alcoholic beverage industry, who specializes in the service and knowledge of beer. The knowledge required for certification includes an understanding of styles, brewing, ingredients, history of beer and brewing, glassware, beer service, draught systems, beer tasting, and food pairings.

Some of these flavors are present in almost all beer to some degree and considered an “on” flavor except when its level gets too high for a given style (fruity esters). Other off-flavors are less frequently found, but still are appropriate in small quantities in specific styles (a buttery flavor in some lagers).
