The Southwest Flight Schedule is now open for booking through November 2, 2019 and the next release of flights through January 5, 2020 is now set for May 23, 2019.. The release of flights was originally scheduled for Thursday, March 14, but was updated as of Wednesday evening, March 13, to say they would delay it until Monday, March 18.

## **Southwest Flight Schedule: Book Flights Through October 1**

Connections to air travel. Large hotel chains typically have direct connections to the airline national distribution systems (Sabre, Galileo, Amadeus, and Worldspan). These in turn provide hotel information directly to the hundreds of thousands of travel agents that align themselves with one of these systems.

Warning: There are an increasing number of fraudulent websites that impersonate ECCMID. We would like to alert all our members and delegates to possible scams and we strongly advise you to use only the official ECCMID online registration and accommodation services for your bookings.

## **Individual Congress Registration - eccmid.org**

A computer reservation system or central reservation system (CRS) is a computerized system used to store and retrieve information and conduct transactions related to air travel, hotels, car rental, or other activities. Originally designed and operated by airlines, CRSs were later extended for the use of travel agencies. Global distribution systems (GDS) book and sell tickets for multiple airlines.
