James Baldwin tv in well to remember that people are always doing this. Perhaps many of those legends, including Christianity, to which the world clings began their conquest of the world with just some such concerted surrender to distortion. The effect, in Harlem, of this particular legend was like the effect of a lit match in a tin of gasoline.

### **James Baldwin's Notes from a Native Son**

A national bestseller when it first appeared in 1963, *The Fire Next Time* galvanized the nation and gave passionate voice to the emerging civil rights movement. At once a powerful evocation of James Baldwin's early life in Harlem and a disturbing examination of the consequences of racial injustice, the book is an intensely personal and provocative document.
